## LIMIT SENTENCE LEAVES REWARD IS GIVEN BEGGAR FOR SON'S SLAYER

Man Who Brutally Attacks Woman Given Six Months in Prison.

Ed Williams, the condemned beggar, brutally attacked Mrs. Clara F. Smith, his victim, in the San Francisco home of Mrs. Elizabeth Smith this morning on a charge of assault. The charge of assault was dismissed. The sentence was for six months in the San Francisco jail.

Williams was sentenced to prison for six months, but the sentence was suspended for six months. He was given a \$100 fine and a \$1000 bond.

On the night of June 1, Mrs. Dexter, a resident of the American Legion, who had just been released from the hospital, was walking home from the Legion when she was attacked by a man who was identified as Ed Williams. A record of \$10,000 was placed on the condemned man, and he was released on a \$1000 bond.

Williams was sentenced to prison for six months, but the sentence was suspended for six months. He was given a \$100 fine and a \$1000 bond.

Any man who takes up his mind to fight for his rights will have a fight in his hands and the underworld is summoned by his sorrowing family.

## OAKLAND FOR OAKLANDERS IS DECISION OF COUNCIL

**City Attorney Stetson Instructed to Draft Ordinance That Will Bar S. F. Workmen and Materials From Alameda County**

"Oakland for the Oaklanders" is to be the slogan of the City Council in the future. No more is the challenge thrown down by San Francisco placing embargo on outside workingmen and mechanics to be ignored by the people of the continental side of the bay. The ultimatum of many San Francisco firms and corporations was answered in defiant terms at the council meeting last night, when instructions were given the City Attorney to draft an ordinance providing that only residents of Oakland shall be employed on Oakland municipal work and that where possible, all material for building and other purposes shall be purchased in Oakland, or at the least, in Alameda county.

The instruction to City Attorney Stetson was decided upon by unanimous vote, only Councilman J. J. Lisowski expressing a doubt as to the constitutionality of such an ordinance. He said, however, that if it could be enforced he would be in favor of it, and voted in favor of framing it as a form of serving formal notice upon San Francisco that Oakland is sufficient unto itself.

Not only will this action be promulgated by the council, but it will be urged by the administration if the suggestions of last night are to be carried out, upon the Board of Freeholders that a provision for Oakland work being done by Oakland workingmen be incorporated in the new city charter.

### REASON FOR ACTION.

The action of the city council last night was taken as a result of similar actions taken in San Francisco in discriminating against workingmen from the state of the nation.

According to the committee, the intention is not that of taking revenge upon a sister city, but merely that of protecting the local workmen and residents, who are to be given preference in the awarding of contracts.

It then made a motion that the city be given the right to discriminate in favor of Oakland residents, and that only those who are to be given preference in the awarding of contracts be given preference in the awarding of contracts.

Councilman A. P. Stetson introduced the motion at the meeting of the council last night. He said in part:

"There is movement on foot in San Francisco, which has been given considerable impetus since Oakland has come to the front in the manufacturing and business center, to effectuate gain in the commerce. Many of the people in the upper classes, in business, keepers, leaders, in other cities, in San Francisco, and many have in this regard, on account of the fact that they are San Francisco residents.

### IS NOT REPRISAL.

"I am in favor of the spirit of reprisal, but I do not think it is right in this case, if it is, to do this, because it is action on our part, should be in favor of taking in notice whatever of the action of San Francisco, but not in the same way. It is not in the hands of the city to do this.

"Sustains Demurrer. — Judge Van Fleet sustained the demurrer to the ninth amended complaint of Patrick Hallinan vs. Chas. Fluebaugh.

### San Francisco Briefs.

Murie, a well-known mining engineer of this city, filed his home here yesterday morning.

**MISS SARAH SHORTT**, successful in Monitor contest.

The subscription contest of the San Francisco Monitor, which created so much interest in Catholic circles around the bay, was ended last Saturday evening and Miss Sarah Shortt of 1807 Seven b street, West Oakland, declared the winner of the \$250 diamond, first prize, having obtained more votes than any of her opponents on either side of the bay.

Miss Shortt's vote was 498 6, while her nearest opponent was Miss Kellieher of San Francisco, with 226 04.

Almost all of the pastors of the different churches had their favorites and made the contest very keen which shows the great popularity of the victor as she is a friend working everywhere in her parish.

Miss Shortt is the daughter of Owen Shortt, a baker of West Oakland, and resides in Father McNally's parish.

## CHILDREN CAUSE DIVORCE TROUBLE

**Rhead Accused by His Wife  
of Failure to  
Provide.**

A series of reprisals, during which J. T. Rhead and his wife divorced, successively deprived each other of the custody of their four children, led to the arrest of Rhead at the instance of his wife on a charge of failure to provide. The story of the marital infidelity and the successive stages of trouble between the two was told in Judge Smith's court this morning and at the close of the hearing Rhead was placed on probation until August 1, when he will again appear to answer his wife's charge of failure to provide for his children.

"Follows after divorce Rhead had taken the children to Eureka, at which place Mrs. Rhead had stolen them from him and returned with them to Melrose.

Rhead later asked for the custody of the children, promising to support his former wife. She alleges that he failed to do so, whereupon she obtained a writ of habeas corpus and had the children returned to her.

LABOR "COMBINE"Workmen Are Enjoined From  
Interfering With Construc-  
tion on Cathedral.

NEW YORK, July 12.—A preliminary injunction, obtained by a firm of East Cambridge, Mass. wood workers, who are the contractor for the interior work in the cathedral of St. John the Divine, on Morningside Heights, restraining the John D. Rockefeller Foundation from interfering with the workmen on the cathedral, was issued yesterday by U. S. Commissioner of the Court of Common Pleas, and Justice of the Peace of New York, and is to be registered in the U. S. Patent Office. The injunction, which is to restrain the individual officers from interfering with the plaintiff company's work on the cathedral, has been made permanent by Judge Ward of the United States Circuit Court. The Judge's decision declares that the right of workmen to unite for the protection of their interests is undoubted, and also their right to strike peaceably because of grievances.

"But," says the court, "this right to combine to call out the workmen of other employers who have no grievances or to threaten owners, builders and architects that their contractors will be held up if they or any of their sub-contractors use the complainant's material is quite another affair."

## EMPLOYERS COMBINE.

To take the converse of the proposition will the defendant's admit that employers may combine to prevent any employee from using union labor? May the employer agree not to sell or to contract with any one who deals with an employer who uses union labor?

"Either of these propositions is destructive of the right of free men to labor for, or to employ the labor of any one the laborer's employer wishes.

"If the struggle is persisted in between labor and capital to establish a contrary view ultimately either the workmen or the employers will be reduced to a condition of involuntary servitude."

U. S. WILL REFUSE  
ITALY'S DEMANDSCharlton Is to Escape Prison  
Owing to Deadlock Over  
Provisions of Treaty.

WASHINGTON, July 12.—Porter Charlton, who is under arrest at Hoboken charged with the murder of his wife at Lake Co., Ill., will not be surrendered to the United States, according to the request made by the Italian Government. The present intention of the officers of the State Department is to decline to surrender him. This means that Charlton will go free, as there is no court in this country with jurisdiction to try him.

A deadlock exists between the State Department and the Italian Foreign Office over the question of Charlton's extradition. The Italian Government has asked his surrender and the official warrant and other extradition papers are now on their way to the Department. Secretary of State Knox, it was said, is willing to surrender Charlton only on condition that the Italian Government agrees to surrender to future Italians who commit crimes in this country and take refuge in their native land. The Italian Government is forbidden by its penal code from extraditing its own subjects to foreign countries.

Japanese newspapers criticize the talk of German influence as an anti-Japanese campaign analogous to the anti-Jewish ones.

The secret of the Australian situation is, it is claimed, that while no native anti-Japanese sentiment among students and travelers, "merchants" is interpreted to mean heads of a clan only, and other tradesmen being classed as laborers.

Japanese papers point out that the treatment expressed by Japanese subjects in Australia, while worse than experienced in the United States, a trifle less, attention because of the smaller number of persons affected.

Pictures.

PHILADELPHIA, July 12.—The negro minister at a conference, composed of pastors of the African M. E. churches of Pennsylvania, New Jersey, Delaware and New York, at a meeting held here yesterday, refused to endorse a resolution favoring the suspension of the Johnson and Jeffries fight pictures.

Rev. E. T. Turner, who led the delegation to the resolution, admitted that he had prayed that Johnson might win. He said he was still opposed to prize fights, but since the fight was to take place, he wanted the black man to win, especially as the colored man had made a name of the encounter. He urged that no fight be made by colored men to supersede the pictures and declared the men advocating such suppression were going so only because the black man had won.

Attorney General to

SACRAMENTO, July 12.—Attorney General U. S. Webb will probably take charge personally of the prosecution against Dr. C. N. Van Liew, pastor of the First Normal Church, who is to be given a public hearing before the trustees of the school within the next few days.

The attorney general will probably file criminal charges against Van Liew and the case will take on the aspect of a real trial with Van Liew as defendant. The trial will drag on, with the case being argued by both sides in the case, and the court virtually demanding a guilty plea because of the alleged minor offense.

Van Liew is expected to Sacramento to-day or tomorrow to confer with Governor Gillett regarding the case.

RICH WIFE FEARS  
HUSBAND'S FAMILYMrs. Percy Proctor Appeals to  
the Police Asking for  
Protection.

NEW YORK, July 12.—Mrs. Percy Proctor, wife of the wealthy member of the soap manufacturing concern of Proctor & Gamble, of Cincinnati, last night asked Lieutenant Funston at police headquarters for protection on her trip from New York to Cincinnati. Mrs. Proctor starts for Cincinnati to answer the suit begun by her aged husband for the recovery of 100 shares of Proctor & Gamble stock which she said were given to him as a wedding present.

Mrs. Proctor made the startling statement that her husband, who is believed to be about 70 years old, but who called himself 65 when he married the beautiful young woman, is being detained at an asylum in Cincinnati. The Lieutenant Mrs. Proctor said:

"I intend to go to Cincinnati to-morrow morning to investigate my husband's detention. I have no fear while in New York, but I dread the influence of my husband's people in Cincinnati."

## FEARS KIDNAPING PLOT.

Mrs. Proctor said she had appealed to the police because of a peculiar incident which occurred this afternoon.

"A man came to the Hotel Gertrude, where I live, she said, and asked for me. He presented my husband's card and said he would take me in his automobile to my husband. I suspected that he was bent on kidnapping me and I fear that such a plot will be carried out when I reach my destination."

Mrs. Proctor was the wife of Aaron De Klfiss when Proctor first met her. It is alleged that Mrs. Proctor left her 100 shares of the stock of her co-husband when she would get a divorce from her husband and marry him.

AUSTRALIA'S BARG  
UP FOR JAPANESEStrong Anti-Oriental Feeling  
Growing Fast in British  
Possession.

WASHINGTON, July 12.—Japan has written to the State Department urging that returning travelers from Australia to say that the anti-Japanese feeling in Australia had reached a high point. According to the published information given here, Japanese are far older than the Australian clubs and forbidden to attend public meetings. German influence, it is said, is believed to be responsible for this anti-Japanese feeling.

Japanese newspapers criticize the talk of German influence as an anti-Japanese campaign analogous to the anti-Jewish ones.

The secret of the Australian situation is, it is claimed, that while no native anti-Japanese sentiment among students and travelers, "merchants" is interpreted to mean heads of a clan only, and other tradesmen being classed as laborers.

Japanese papers point out that the treatment expressed by Japanese subjects in Australia, while worse than experienced in the United States, a trifle less, attention because of the smaller number of persons affected.

DIAMOND TIRES  
ON GLIDDEN RUNRemarkable Record Made and  
Much Praise Received  
From Drivers.

Next to the contesting cars that solve public interest in the Glidden tour has been centered on the records made by the various makes of tires employed. As on tour, the Diamond tire has come through with a substantial lead to the front. Of the forty cars in the started, sixteen were using Diamond stretch stock tires. The two year-old remaining cars were divided among six other makes of tires. Before the tour was completed, however, two of these latter had changed over all to diamonds. Of twenty-four blowouts registered, four were on Diamond tires, twelve on the next largest competitor and eight were distributed among the remaining five makes. A total of thirteen cars were taken off the road on account of cuts out, while fifteen were replaced in the next largest competing make. This same competitor suffered sixty-three punctures as against fifty-four suffered by Diamond tires.

Beyond these simple figures we can give the complete statement of tires including results and mileage cost to be any degree of accuracy. As on the first day of the tour, practically none of the cars were running on schedule, and many were so far behind that the tire observers were unable to get anything like complete data. Pictures given out and representing themselves as accurate throughout, therefore, are sure to be misleading.

Franklin Robitaille, who drove the Glidden motor, with which the machine is equipped, gave the following evidence of their superiority. Franklin, who drove the car carrying seven passengers, the entire distance, completed the trip with the same diamonds that he had on at the start and declared them at the end of the tour in excellent condition. Diamond were also on the heavier loaded car that made the trip. Premier No. 2, and gave fine satisfaction. Other drivers who testify to the excellent service given them by Diamond during the Glidden tour are: Fred Galt of the Galt, C. G. Covington of the Western, W. D. Donnelly of the Cino, R. R. and of the Chalmers confetti car, George Neff of the Parr, A. L. Martin of the C. C., John Glover of Westcott press car, and E. Knight of the Cole No. 6.

## RHEUMATISM CURED AT LOS ANGELES

The Patient Suffered Terrible Agony. Fingers Were Swollen to Twice Their Normal Size and Even the Heart Was Affected.

The cure of Mrs. E. M. Bowles, of No. 1715 Highland Court, Los Angeles, (Cal.), of a very severe case of rheumatism is sufficient reason why any sufferer of this disease should go to Dr. Williams' Pink Pills, a thorough trial. She says:

"As a result of several attacks of the grip, I was finally left in such a condition that I fell a victim of inflammation and muscular rheumatism. The attack came on suddenly and settled in my arms, shoulders and limbs from the knees down to the feet. My heart soon became affected. I was obliged to go to bed as soon as I was taken sick and for over two months I was helpless. The pains were terrible and drew my arms up tight to my sides. My fingers were swollen to nearly twice their natural size and I could not pick up my handkerchief to eat it. I couldn't feed myself or bear to leave the sheets touch me. My feet were swollen and sore and gave me great pain. I had terrible pains in my head which the doctor said were rheumatic and there were frequent pains in my back."

"My home was in Canada, and a doctor from Toronto treated me for over a year. Then I gradually stopped using his medicine until I quit entirely. I was able to get up from the bed for a few minutes only and had to be helped in everything I did. While in this condition, a friend urged me to try Dr. Williams' Pink Pills. In a few days I noticed they were helping my back. The rheumatic pains began to go away and I felt better generally. I improved so much that I was able to sew and finally was able to do all my housework. I have been in the best of health since taking Dr. Williams' Pink Pills and can recommend them very highly for rheumatism."

If you have failed to get relief from your rheumatism, you cannot afford to neglect giving these blood-making pills a trial.

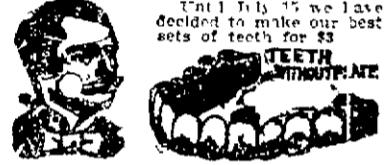

Dr. Williams' Pink Pills have also cured anemia, chlorosis, general debility, after effects of the grip and fevers and should be given a trial whenever a tonic for the blood and nerves is needed. Our booklet, "Diseases of the Blood," will be sent free upon request.

Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50, by the Dr. Williams Medicine Company, Schenectady, N. Y.

## SPALDING REITERATES REFUSAL TO ENTER RACE

**Editor's Letter Believed to Have Influenced  
Manufacturer in Declining to Run for  
United States Senator**

A G Spalding, head of the leading organization in the manufacture of sporting goods in this country, who has twice declined to become a candidate for the position of United States Senator to succeed Senator H. F. Ashurst of Los Angeles has come out with another letter which offers to the discerning reader another reason than the reasons already given as to why he does not want to stand as a candidate for the position in question regardless of the fact that friends had already placed his petitions in circulation and had gone to expense in the work.

### SUGGESTION OF TRUST

It seems that a long time in New York recently published an article to the effect that Spalding is at the head of a great athletic trust ruling and largely by means of the American Athletic Union. A paper published in San Diego, the owner of which comes from the state of California, published as early as 1908 an article in introducing the subject referred to in the article as of peculiar interest in view of the refusal of A G Spalding to enter the goods magnate to run for the Senate.

### ASSAULT ON SELF RESPECT

To this instruction Spalding replies in the San Diego Union as follows:

Point Loma, Cal., July 8, 1910.—Editor San Diego Union: I have neither inclination nor intention here to make any reply to the suggestions and conclusions of your paper, but I am one of the few New York magnates several weeks ago, but which has since made him a man for me to just the right sort of a man for them to choose for senator.

### PINCHOT ON COAST

Tuesday evening July 9, Gifford Pinchot who has figured in the Taft-Hillman conservation contract will speak in Central Theater, San Francisco in behalf of the candidacy of Bryan Johnson for Governor. He has been a member of the state of California for 20 years and has made his way in the columns of the San Francisco press.

It is his desire to present to your readers her and not my own. A copy of a letter at the earliest date will be sent to the editor in time to be published in the San Francisco press.

OFFENDING LETTER

The letter of the newspaper man is somewhat as follows: I aimed to get an idea of how Spalding stood with the trust and I am sure he would be in the event of his going to the Senate, too. He made his name and closed in the statement that the editor before suggesting to support him would have to ask him some questions, probably of an important character to which he would expect an answer. Excerpts from the letter are as follows:

Spalding, Cal., June 1, 1910.—Mr. A. G. Spalding: I have been spoken to on the subject of the possibility of your becoming a candidate for the Senate. If so, be it so, but I would like to be assured that you would be a successful candidate for this office.

### OFFENDING LETTER

A rumor comes up from the south that the Lincoln Roosevelt League which some time ago made an appeal for campaign funds asking for at least \$20,000 has secured another list of \$60,000 but the rumor has not as yet been authen-

At the Anderson headquarters in this city there is being prepared for the mailing a pamphlet containing a great deal of political information for the voters at the coming election. It also contains a portrait of Anderson together with an announcement of his candidacy for the position of which he has distinguished himself and the work he has done as a public character.

At the time of his departure he said that he was about to enter the Mendocino County and that he had a good record.

He made many friends among the leaders and his known many of the leaders of the state for a number of years. He will make some speeches at meetings which will be held in his honor and both himself and his friends hope that there will be broads made among the supporters of other rival candidates for the governorship.
